IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

I hereby certify that this correspondence is being mailed to Commissioner of Patents, Mail Stop: Petitions, Alexandria, Virginia, 22313 on July 25, 2006.

Kathy Duffett, Secretary

Patent No: 6,799,588

Issued: October 5, 2004

Filed: April 17, 2002

For: APPARATUS FOR TREATING SUBSTRATES

Commissioner of Patents
Mail Stop: Petitions
P. O. Box 1450
Alexandria, Virginia 22313-1450

PETITION TO CORRECT ASSIGNMENT

Dear Commissioner,

The above-identified patent was issued with only one of two of the Assignees. This was due to an inadvertent clerical error in my office. We failed to include both names on the Issue Fee Transmittal Form PTOL-85B; however, both names were included on the Assignment Document. The applicants kindly request that 37 CFR 3.81(a) be waived to permit the correct names of both assignees to reflect on the patent. I have enclosed a Certificate of Correction, indicating the change, and respectfully request your consideration. In addition, I have enclosed a copy of the Notice of Recordation of Assignment Document as well, indicating the reel/frame number where the assignment is recorded.

The petition fee amount of \$130.00 is also enclosed.

Respectfully Submitted,

STYLED/STYLED/STYLED/STYLED

Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule(s) 1.322 and or 1.323.

Assignees' names and addresses (assignment data) printed in a patent, are based *solely* on information supplied in the appropriate space for identifying the assignment data, i.e., item 3 of the Issue Fee Transmittal Form PTOL-85B. Granting of a petition, under 37 CFR 1.183, requesting the requirements of 37 CFR 3.81 to be waived, is required to correct applicant's error providing incorrect or erroneous assignment data, *before* issuance of a Certificate of Correction, under 37 CFR 1.323 (*see Manual of Patent Examining Procedures (M.P.E.P) Chp.1400, sect. 1481*). This procedure is required *at any time after the issue fee is paid*, including after issuance of the patent.

In view of the foregoing, your request, in this matter, is hereby denied.

A petition to correct the Assignee under 37 CFR 1.183 should include:

- A. the petition fee set forth in 37 CFR 1.117(h) (currently \$130);
- B. a request that 37 CFR 3.81(a) be waived to permit the correct name of the assignee to be provided;
- C. a statement that the failure to include the correct assignee name on the PTOL-85B was inadvertent; and
- D. a copy of the Notice of Recordation of Assignment Document, reflecting the reel and frame number where the assignment(s) is recorded and/or reflecting proof of *the date* the assignment was submitted for recordation.

In the Petition, Applicant(s) may request that the file is forwarded to Certificates of Correction Branch, for issuance of a Certificate of Correction, if the Petition is granted.

COPY

Any petition under 37 CFR 1.183 should be directed to the attention of the Assistant Commissioner for Patents, using the following mailing address or FAX number.

By Mail: Commissioner of Patents and Trademarks
Mail Stop: Petitions
Alexandria, VA 22313

By Fax: (703) 308-6916
Attn.: Office of Petitions

If a fee (currently \$100) was previously submitted for consideration of a Request for Certificate of Correction, under CFR 1.323, to correct assignment data, , no additional fee is required
